G. O. No. L. 6923-29—L. B. 93-28-27, dated 16th—19th April 1929.

Grant of Travelling Allowance to the Menials under District Boards for road journeys made by buses.

Extends benefit of the rules issued in the case of menials of the State Service to the ——.

READ—

The following Government Order No. Fl. 6132-91—S. & A. 201-25-1, dated 12th—15th February 1929, issuing rules for the grant of travelling allowance to the officers in inferior service for road journeys made by buses:—

Motor bus service having been established in several parts of the State, the question of suitably revising the rules for the grant of mileage in respect of road journeys performed by buses has been under the consideration of Government for some time past. It has been represented that the existing mileage rate of 6 pies in the case of officers in inferior service is inadequate to meet their actual travelling expenses. On the other hand, it has been pointed out by the Audit Department that the present mileage rates to officers in superior service for journeys by buses are excessive and admit of reduction

Some revision of the existing arrangement in regard to mileage rates for journeys by buses appears to be necessary and Government consider it desirable to introduce the change tentatively in respect of certain classes of public servants and watch its results before extending it to other officers. Government are accordingly pleased to sanction the following rules for the grant of travelling allowance for road journeys with effect from 1st April 1929:—

(i) Where there is regular bus service between places unconnected by rail, such means of locomotion shall be used by all officers whose salary is less than Rs. 40 (whether in superior or inferior service) unless otherwise authorised by Heads of Offices concerned for reasons to be recorded in writing.

(ii) For journeys by buses, these officers will be allowed actual bus fare of the lowest class plus daily allowance for all distances exceeding 5 miles from Headquarters.

(iii) The District Magistrates will furnish the Comptroller once a quarter with schedules of rates authorised to be charged by bus owners in their respective districts.

This order will be in force for a period of one year. The Comptroller is requested to report the result of its working by March 1930. The question of extending the arrangement with or without modifications to other classes of officers who travel by bus will be considered on receipt of the Comptroller's report.

ORDER No. L. 6923-29—L. B. 93-28-27, DATED 16TH—19TH APRIL 1929.

Government are pleased to extend the benefit of the rules issued with Government Order of the 12th—15th February 1929 read above in the case of menials under the control of the District Boards.

2. They are further pleased to state that the aforesaid rules may be applied also to the clerical staff on pay not exceeding Rs. 40 a month, if the District Boards should prefer such a course.
